CONTENTS OF VOLUME 91

JANUARY 1953. NUMBER 1

PAGE

Adrenocortical Function During Continuous Long-Term Therapy with Cortisone. Ephraim P. Engleman, M.D.; Marcus A. Krupp, M.D.; Harold P. Johnson, Jr., M.D.; Joseph E. Welsh, M.D.; Harold T. Wrenn, Ph.B., and Wilbert R. King, San Francisco..... 1

Diagnostic and Therapeutic Value of the Reproduction of Chest Pain. T. J. Reeves, M.D., Beaumont, Texas, and T. R. Harrison, M.D., Birmingham, Ala..... 8

Sinoaortic Regulatory System: Role in Pathogenesis of Essential and Malignant Hypertension. P. Kezdi, M.D., Madison, Wis..... 26

Varicella Pneumonia. Samuel Saslaw, M.D., Ph.D.; John A. Prior, M.D., and Bruce K. Wiseman, M.D., Columbus, Ohio..... 35

Bone Marrow Depression from Chloramphenicol. Allyn B. Ley, M.D., New York..... 43

Histoplasma Capsulatum Infection Associated with Gastric Ulcer and Fatal Hemorrhage. Thomas J. Fitzpatrick, M.D., Joliet, Ill., and Benjamin H. Neiman, M.D., Chicago... 49

Flaccid Quadriplegia, Hyperkalemia, and Addison's Disease. Leon J. Marks, M.D., Saylesville, R. I., and Emmanuel Feit, M.D., New York..... 56

Aureomycin, Chloramphenicol, and Oxytetracycline ("Terramycin") in Mumps. W. D. Sutliff, M.D., and Z. B. Barnes, M.D., Memphis..... 68

Bronchiectasis: A Bronchographic Study of Sixty Cases of Pneumonia. Arnold L. Bachman, M.D.; William R. Hewitt, M.D., and Henry C. Beekley, M.D., New York.. 78

Kaposi's Sarcoma Associated with Lymphosarcoma. Samuel M. Bluefarb, M.D., and James R. Webster, M.D., Chicago..... 97

Parallel Relation of Hyperglycemia and Hyperlipemia (Esterified Fatty Acids) in Diabetes. Edwin F. Hirsch, M.D.; Brendan P. Phibbs, M.D., and Lynn Carbonaro, M.S., Chicago 106

Progress in Internal Medicine:

Hypertension: Review of Significant Publications, July 1, 1950, to Jan. 1, 1952. Robert W. Wilkins, M.D., Boston, and Paul Stucki, M.D., Berne, Switzerland..... 118

Case Reports:

Treatment with Large Doses of Penicillin in a Case of Severe Bacteremia Due to Proteus. Burton A. Waisbren, M.D., Milwaukee..... 138

News and Comment..... 142

Books 142

FEBRUARY 1953. NUMBER 2

Antibiotic Resistance of Pathogenic Staphylococci: Study of Five Hundred Strains Isolated at Boston City Hospital from October, 1951, to February, 1952. Maxwell Finland, M.D., and Thomas H. Haight, M.D., with the Technical Assistance of Clare Wilcox and Marilyn K. Broderick, Boston..... 143

Liver Coma, with Particular Reference to Management. Michael M. Karl, M.D.; Roy A. Howell, M.D.; James H. Hutchinson, M.D., and Frank J. Catanzaro, M.D., St. Louis.. 159

Clinical and Laboratory Study of Thirty-One Patients with Hemorrhagic Fever. Captain Giulio J. Barbero; Captain Sidney Katz; Lieutenant Henry Kraus, and Colonel Charles L. Leedham, Medical Corps, United States Army..... 177

Lack of Interference of Aureomycin with Penicillin in Treatment of Pneumococcic Pneumonia. James J. Ahern, M.D., and William M. M. Kirby, M.D., Seattle..... 197

Oxytetracycline-Streptomycin Therapy in Brucellosis Due to Brucella Melitensis. Gordon B. Magill, M.D., and John H. Killough, Ph.D., M.D., Cairo, Egypt..... 204

Involvement of Bone Marrow in Diffuse Pulmonary Disease. Austin S. Weisberger, M.D., and Robert M. Dumm, M.D., Cleveland..... 212

INDEX TO VOLUME 92

Book Reviews are grouped together and are indexed under that heading in alphabetical order under the letter B.

Abdomen
acute condition due to bishydroxycoumarin (Dicumarol) poisoning [Mendelsohn & Iglauer], 760
Abnormalities and Deformities: See under names of organs and regions, as Heart
Acetylsalicylic Acid: See Salicyl Compounds
Acid: See under names of specific acids
Acidosis
diabetic: descriptive characteristics of group of patients with moderate or severe: relation to recovery or death [Zieve & Hill], 51
diabetic: prognosis in moderate or severe: effectiveness of various measurements and derived severity score in predicting outcome [Zieve & Hill], 63
ACTH: See Corticotropin
Adlersberg, D.
Fat-loading studies in relation to age, 265
Oral use of hydrocortisone (compound F) in treatment of sprue, 615
Adrenal Preparations: See Arterenol; Cortisone
Adrenocorticotropin: See Corticotropin
Aerosporin: See Polymyxin B
Age
fat-loading studies in relation to [Herzstein & others], 265
American College of Surgeons, 452
American Heart Association, 451
American Occupational Therapy Association, 452
American Psychosomatic Society, 450
Amidines: See Stilbamidine
p-Aminobenzoic Acid
treatment of rheumatoid arthritis with *p*-aminobenzoate and acetylsalicylic acid [Zarafonetis & others], 204
Anderson, A. E.
Hamman-Rich syndrome: analysis of current concepts and report of 3 precipitous deaths following cortisone and corticotropin (ACTH) withdrawal, 806
Anemia
hemolytic [review by Wright & others], 397
hemolytic, complicating disseminated lupus erythematosus: report of case associated with rare blood group antibodies following whole blood transfusions [Kuhns & Bauerlein], 284
iron deficiency [review by Wright & others], 389
macrocytic [review by Wright & others], 377
Aneurysm
aortic, rupture into superior vena cava [England], 897
Angiitis
necrotizing, studies: periarteritis nodosa and hypersensitivity angiitis [Knowles & others], 789
Antibiotics: See also Carbomycin; Chloramphenicol; Chlortetracycline; Erythromycin; Penicillin; Polymixin B
prophylaxis in chronic respiratory diseases [McVay & Sprunt], 833
staphylococci resistant to, in hospital population [Lepper & others], 40
treatment in shock-like state due to transfusion of blood contaminated with Gram-negative bacilli [Braude & others], 75
Anticoagulents: See Blood, coagulation
Aorta
aneurysm: rupture into superior vena cava [England], 897
aortic arch syndromes: diminished or absent pulses in arteries [Ross & McKusick], 701
Appointments,
Daft, Floyd S., 763
Archives
new members of Editorial Board, 455
Arterenol
treatment in shock-like state due to transfusion of blood contaminated with Gram-negative bacilli [Braude & others], 75
Arteries: See also Aorta; Hypertension
inflammation: diffuse and sometimes recurrent course of diffuse arteritis: observations and report of patient observed for 21 years [Kampmeier & Shapiro], 856
renal, occlusions, malignant hypertension in [Ehrlich & others], 591
Arteritis: See Arteries, inflammation
Arthritis: See also Rheumatism
rheumatoid: treatment with *p*-aminobenzoate and acetylsalicylic acid [Zarafonetis & others], 204
Ascites
therapy in patients with cirrhosis of liver [editorial], 603
Associations: See Societies
Aureomycin: See Chlortetracycline
Awards: See also Grants; Fellowships
for outstanding research in field of sterility, 763
Van Meter prize, 451

Bacteremia
chlortetracycline (Aureomycin) in prevention, in patients with heart disease following oral surgery [Roth & others], 485
Bairstow, B.
Stilbamidine in treatment of disseminated blastomycosis: report of 2 cases, 98
Baker, L.
Primary benign peptic ulcers of greater curvature of stomach: review of literature and report of 4 new cases, 321
Baker, L. A.
Stilbamidine in treatment of disseminated blastomycosis: report of 2 cases, 98
Transient esophageal varices in hepatic cirrhosis, 507
Baldwin, D. S.
Effect of nitrogen mustard on clinical course of glomerulonephritis, 162
Bass, J. A.
Review of 1952 hematology literature, 357
Bauerlein, T. C.
